

Centre Record Keeping

1 General

- 1.1 Centres are expected to be able to provide both Skills and Education Group Awards¹ and the Regulators² with access to premises, people and records. Records must hold sufficient information to confirm the internal quality assurance of assessment activity which will allow for the independent authentication of any claims for certification.
- 1.2 These records must be retained for at least three years from completion of all qualifications and must be made available upon request. However, Centres are advised to refer to any additional specific funding body requirements in relation to the retention of documents for qualifications for which they have received funding.
- 1.3 All records and details of achievement must be maintained in an accurate, timely and secure manner and must be made available for any external quality assurance activity.
