

Summer Awarding Dates

29 February 2024 – Date by which Centres must have informed Skills and Education Group Awards of their Senior Designated Contact. This must be a senior member of staff with decision-making authority. This person must be available throughout the awarding period to ensure any queries can be resolved swiftly.

29 February 2024 – Date by which Centres must inform Skills and Education Group Awards of the specific learners that require a result in summer 2024.

29 February 2024 – Deadline for registration of all learners to be included in summer moderation. **Note:** late registrations will incur a late registration fee.

1 May 2024 – Date by which moderation/EQA visits must have been arranged.

30 June 2024 – Date by which all moderation/EQA activity must have taken place.

15 July 2024 – Final date by which claims must have been made on the ORS platform.

Skills and Education Group Awards will ensure that all learners are certificated no later than 12 August 2024, subject to the above key dates being met by Centres.

We will contact Centres directly where they have learners registered to one of the above qualifications.
