

## **Welsh-medium Policy Statement**

**Issued: January 2026**

Skills and Education Group Awards and BIIAB Qualifications Limited are committed to ensuring that through the development of our qualifications, unit content, assessment methods and application we are non-discriminatory and cater for the widest diversity of learners.

Whilst we recognise the importance of developing and making available Welsh-medium qualifications we have taken the decision not to offer these at this point in time due to the availability of resources and current demand from our Centres.

We will keep this policy under review in line with the changing needs and demands of the market.
