

Level 2 Autocare Technician End-Point Assessment

As part of Skills and Education Group Awards, we specialise in the automotive sector. Our experience in this industry means we know exactly what employers and apprentices need. We make the assessment process clear, easy to use and responsive, ensuring that employers and apprentices are fully supported throughout.

About the End-point assessment

An Auto-care Technician carries out a range of services and repairs to cars, car derived vans and light goods vehicles, working in an Auto-care or “Fast-Fit” Centre, which may be part of a national chain or operated by a regional/local independent group/owner. An Auto-care Technician requires a unique combination of technical, retail and customer service skills. They will use a range of tools, measuring and diagnostic equipment to identify & repair simple system faults.

Fee £1050

Maximum Funding £1200

Gateway Requirements

Apprentices will need to achieve the relevant English and mathematics prior to undertaking their End-Point Assessment. From August 2022 people who start a Level 2 apprenticeship without Level 1 English and Maths will no longer need to automatically attempt Level 2 English and Maths tests to complete their apprenticeship.

A Portfolio of Evidence must be submitted, which can be referred to as part of the Professional Review assessment component.

Typical duration to Gateway: 30 months.

The Assessment

The apprentice will be assessed against the Autocare Technician requirements. The methods of assessment are:

- Knowledge test
- Practical observation
- Professional review, underpinned by a portfolio of evidence

Skills and Education Group Awards is the End-point Assessment Organisation (EPAO) that is approved and registered with the Education and Skills Funding Agency (ESFA) for this apprenticeship. Delivery of this end-point assessment is monitored, on behalf of the Institute of Apprenticeships and Technical Education (IfATE), by the External Quality Assurance Organisation, Ofqual.
