

Level 3 Fashion and Textiles Pattern Cutter End-Point Assessment

As part of Skills and Education Group Awards, we specialise in End-point assessments for the fashion and textiles sectors. Our experience with the standards for these industries means we know exactly what employers and apprentices need. We make the assessment process clear, easy to use and responsive, ensuring that employers and apprentices are fully supported throughout.

About the End-point assessment

A Pattern Cutter working within the clothing and textiles industry can be employed by a large, medium, small or micro size business, producing a variety of products from clothing and fashion items to leather goods, soft furnishings, marine and medical textiles. The role of a pattern cutter involves interpreting a product design brief and drafting patterns that reflect the design and technical specifications.
