

Level 4 Fashion and Textiles Product Technologist

End-Point Assessment

As part of Skills and Education Group Awards, we specialise in End-point assessments for the fashion and textiles sectors. Our experience with the standards for these industries means we know exactly what employers and apprentices need. We make the assessment process clear, easy to use and responsive, ensuring that employers and apprentices are fully supported throughout.

About the End-Point Assessment

This occupation is found in sewn product manufacturers, footwear manufacturers, brands and retailers. They can be involved in the production of a wide range and variety of products, from clothing and fashion to leather goods, shoes, soft furnishings, marine and medical textiles.

The broad purpose of the occupation is to provide technical support throughout the product development process and ensure approved samples with specifications, production instructions and production patterns are in place so the manufacturing process can commence and be completed by the required date and within budget.

Skills and Education Group Awards is an Ofqual-recognised End-Point Assessment Organisation. Ofqual regulates and quality-assures our end-point assessments through its regulatory framework. Apprenticeship standards are overseen in England by Skills England.
