

Level 3 HR Support

End-Point Assessment

Skills and Education Group Awards are branching out into the HR Sector, interlinking with other sectors we are actively engaged with, such as Preparation for Work and Life and Business Support. We have strong industry links with the sector, and significant experience in offering End-Point Assessments across various sectors using the assessment methods found in this standard.

About the End-Point Assessment

The focus of the apprenticeship is primarily on individuals who are new to the role or are progressing on their career journey through the organisation. The apprentice will be required to handle day to day queries and provide human resources advice, ranging from recruitment through to retirement.

HR Professionals in this role are typically either working in a medium to large organisation as part of the HR function delivering front line support to managers and employees, or are a HR Manager in a small organisation. Their work will typically involve taking ownership for providing advice to managers on a wide range of HR issues using company policy and current law, giving guidance that is compliant and where errors could expose the organisation to employment tribunals or legal risk.

Fee:

£800
