

Level 4 Textile Technical Specialist

End-Point Assessment

As part of Skills and Education Group Awards, we specialise in end-point assessments for the fashion and textiles sectors. Our experience with the standards for these industries means we know exactly what employers and apprentices need. We make the assessment process clear, easy to use and responsive, ensuring that employers and apprentices are fully supported throughout.

About the End-Point Assessment

This occupation is a technical role within textile and fashion advanced manufacturing companies. The occupation is a production/manufacturing role that involves the production of textiles for woven or finished fabrics. The broad purpose of the occupation is to ensure that the technical capabilities of the plant, the product and the machinery are appropriately and innovatively fine-tuned to meet customer expectations. This involves the use of specialist textile machinery and equipment, either to WEAVE or to FINISH textiles which service the world's textile supply chain.
