## **Level 3 Early Years Educator End-Point Assessment**

As part of Skills and Education Group Awards, we are expanding our offer into the Education and Early Years sector. We make the assessment process clear, easy to use and responsive, ensuring that employers and apprentices are fully supported throughout.

### **About the End-Point assessment**

They may either be working on their own or supervising others to deliver the Early Years Foundation Stage (EYFS) requirements set by Government for the learning, development and care of children from birth to 5 years old.
