

Skills & Education Group Awards

Level 3 Teaching Assistant End-Point Assessment

As part of Skills and Education Group Awards, we are expanding our offer into the Education and Early Years sector. We make the assessment process clear, easy to use and responsive, ensuring that employers and apprentices are fully supported throughout.

About the End-Point assessment

The broad purpose of the occupation is to support the class teacher to enhance learners' progress and development either in groups or individually. Teaching Assistants ensure that learners understand their work, know their learning objectives, and display positive learning behaviours in order to make progress. They deliver individual and small group teaching and apply a range of strategies to support learners of different abilities under the professional direction and supervision of a qualified teacher. Teaching Assistants may support learners with special educational needs and disabilities and learners with social, emotional, and mental health vulnerabilities.
