

Level 2 Fashion and Textiles

Level 2 Certificate in Manufacturing Textile Products (NVQ) (501/0173/0)

Key Features

The qualification will enable learners to develop the knowledge and skills required for work in the textiles manufacturing sector.

The qualification has been designed in response to an identified industry need for specific programmes of learning within the textiles manufacturing sector, is mapped to the most recent National Occupational Standards and it is included in the Fashion and Textiles Apprenticeship Framework.

Candidates will gain insight into core activities such as Health, safety and security at work, How to maintain the quality of production working with textiles, leather and materials and more within the textiles manufacturing industry.

The qualification will prepare learners for progression to the Level 3 qualifications within this sector, into employment and/or further education and training.

The qualification is regulated by Ofqual.

Who are these qualifications for?

These qualifications are designed for young people aged 16+ who are looking for a vocational qualification for progression into further education or employment.

Benefits

Learners will benefit from:

Acquiring the skills, knowledge and understanding to start a career in the textiles manufacturing industry.

Gaining an introduction to specialist skills in the textiles manufacturing sector.

The opportunity to progress to the Level 3 qualifications within this sector.

Qualification Information

ABC Awards' website contains full details of qualifications.

Recognition of Prior Learning (RPL), Exemption and Credit Transfer

ABC Awards encourages its centres to recognise the previous achievements of learners through Recognition of Prior Learning (RPL), Exemption and Credit Transfer. Prior achievements may have resulted from past or present employment, previous study or voluntary activities. Centres should provide advice and guidance to the learner on what is appropriate evidence and present that

evidence to the external moderator in the usual way.

Fees (per learner)

Fees can be found on our website. This includes registration, moderation and certification.

Certification

Learners will be certificated for full qualification certificates.
