Overview

These qualifications have been developed in collaboration with industry, providers and Lantra. They will enable learners to gain appropriate skills and knowledge to progress to higher levels of learning or to employment in the land based sector.

Who are these qualifications for?

These qualifications are designed for those learners aged 16 or over who are currently working in the Horticulture Sector, either in paid or unpaid employment, or for learners who wish to progress into employment or further study in the sector.

Skills and Education Group Awards expects approved centres to recruit with integrity on the basis of a learner's ability to contribute to and successfully complete all the requirements of a unit/s or the full qualification.

What do these qualifications cover?

The SEG Awards Level 2 Award and Certificate in Practical Horticulture Skills aim to:

- Develop practical skills that will support those seeking a career in the horticultural industry
- Provide knowledge and understanding that could support further study within the land based sector
- Promote and encourage good working practices in relation to safety and the environment

Learners will complete these qualifications with a concrete understanding of the following:

- Prepare ground for seeding and planting

Optional units include:

- Control pest, diseases and disorders

- Install drainage systems
- Prepare and cultivate sites ready for planting, and many more

Will these qualifications lead to further learning?

Learners who achieve these qualifications could progress onto further studies, into employment, or gain promotion to a more senior position within existing employment. Learners could also begin entrepreneurial activities such as starting one's own business.
