

Purpose Statement

SEG Awards Level 2 Award in Motor Vehicle Studies - 600/2996/1

Overview

The SEG Level 2 Award, Certificate and Diploma in Motor Vehicle Studies have been developed to provide a range of progression opportunities. The flexible structure and nature of these qualifications provides the ideal route for learners to progress from the SEG Level 1 Award, Certificate and Diploma in Motor Vehicle Studies on to higher level of study and skills acquisition, such as automotive apprenticeships. Learners will develop knowledge and skills aligned to specific areas of the automotive industry through practical experience. The rules of combination for the Level 2 Award, Certificate and Diploma in Motor Vehicle Studies are made up of three pathways which are:

- > Body Repair
- > Light Vehicle
- > Motorcycle

The SEG Awards Level 2 Award offers learners and centres a flexible bank of units that can be tailored into specialised learning packages in specific areas of interest. These are aligned to careers in the motor vehicle industry that provide knowledge and skills required for potential occupations and job roles within. The overall aim is to provide learners with a qualification that can be used as a pre-apprenticeship entry route, as well as enabling career progression and employment prospects.

Who is this qualification for?

This qualification is designed for learners aged 16+ years of age:

- > The mature learner who is seeking re-entry into the employment market, but who has insufficient qualifications and/or experience to compete for work
- > 16–19 year olds in post-school education or training who wish to pursue a vocational course as a foundation to employment
- > Those in employment in the motor vehicle service and repair industry who need to acquire appropriate job-related qualifications
- > Learners who wish to gain industry relevant knowledge and skills in areas aligned to specific job roles within the automotive industry

Skills and Education Group Awards expects approved centres to recruit with integrity on the basis of a learner's ability to contribute to and successfully complete all the requirements of a unit(s) or the full qualification.

Purpose Statement

What does the qualification cover?

Learners must achieve a minimum of 10 credits from one pathway.

Body Repair Pathway – 5 Mandatory Units

- > Health and safety for motor vehicle studies
- > Knowledge of removing and fitting motor mechanical, electrical and trim (MET) components to vehicles
- > Skills in removing and fitting motor mechanical, electrical and trim (MET) components to vehicles
- > Knowledge of removing and fitting non permanently fixed motor vehicle body panels

Light Vehicle Pathway – (Mandatory unit plus a minimum of one Option Group to achieve the minimum credit value)

Mandatory Unit

- > Health and safety for motor vehicle studies

Optional Units

- > Knowledge of inspecting light vehicles using prescribed methods
- > Skills in inspecting light vehicles using prescribed methods
- > Knowledge of inspection and repair of light vehicle clutches
- > Skills in inspection and repair of light vehicle clutches
- > Knowledge of inspection and replacement of light vehicle exhaust components
- > Skills in inspection and replacement of light vehicle exhaust components
- > Knowledge of inspection, testing and replacement of vehicle batteries and related components
- > Skills in inspection, testing and replacement of vehicle batteries and related components
- > Knowledge of inspection and replacement of light vehicle suspension dampers and springs
- > Skills in inspection and replacement of light vehicle suspension dampers and springs
- > Knowledge of inspection, adjustment and replacement of light vehicle braking systems and components
- > Skills in inspection and replacement of light vehicle braking systems and components

Motorcycle Pathway (5 Mandatory Units)

- > Health and safety for motor vehicle studies
- > Knowledge of routine motorcycle maintenance
- > Skills in routine motorcycle maintenance

Purpose Statement

- > Knowledge of motorcycle preparation and inspection
- > Skills in motorcycle preparation and inspection

Assessment

This qualification is internally assessed and requires internal and external moderation. Specific requirements and restrictions may apply to individual units within qualifications. Please check unit and qualification details for specific information.

Centres must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.

What could this qualification lead to?

Will the qualification lead to employment, and if so, in which job role at which level?

Successful completion of the Level 2 Award in Motor Vehicle Studies provides learners with the opportunity to progress on to the SEG Level 2 Certificate or Diploma in Motor Vehicle Studies or Apprenticeships at Level 2 in:

- > Vehicle Fitting
- > Vehicle Maintenance and Repair
- > Vehicle Body and Paint Operations
- > Roadside Assistance and Recovery
- > Vehicle Parts Operations
- > Vehicle Sales

If there are larger and/or smaller versions of this qualification or it is available at different skills levels, why should a student take this particular one?

The Level 2 Certificate in Motor Vehicle Studies is part of a larger suite of Motor Vehicle Studies qualifications:

- > Level 2 Award in Motor Vehicle Studies
- > Level 2 Certificate in Motor Vehicle Studies
- > Level 2 Diploma in Motor Vehicle Studies

The Certificate allows the learner to gain a broader perspective, than the Award, on one of the chosen pathways. The Diploma has additional units to select from

Purpose Statement

in each pathway and the learner will take an extended and more comprehensive learning package.
