Dear Denise

**SUPPORT FOR INCLUSION OF ABC AWARDS QUALIFICATIONS INTO DFE PERFORMANCE TABLES**

As the Professional Body of the automotive retail industry The Institute of the Motor Industry (IMI) – Sector Skills Unit, feel the following qualifications are suitable for a young person between the ages of 16-19 studying full time and will give that young person an advantage when applying for a job or progressing onto an apprenticeship.

The IMI Sector Skills Unit therefore supports the following qualifications for inclusion in the DfE performance tables:

- **ABC Level 2 Certificate In Motor Vehicle Studies (QCF) 600/2966/3**
- **ABC Level 2 Diploma In Motor Vehicle Studies (QCF) 600/2957/2**

If you have any queries or would like to discuss further please do not hesitate to contact me.

Yours sincerely,

Laura Beattie
