Overview

The SEG Awards Entry 2, Entry 3 and Level 1 Awards and Certificates in Practical Horticulture Skills provide practical experience and knowledge of the horticulture sector to support engagement, participation, achievement and progression for learners at Entry Level and Level 1. They will help learners to decide whether to undertake further training or employment within this occupational area. Recognise trees and plants and their importance to wildlife.

Who are these qualifications for?

These qualifications are designed for young people aged 14+ and adults who have an interest in the land based industry as an area of employment and want to develop practical skills in this area.

Skills and Education Group Awards expects approved centres to recruit with integrity on the basis of a learner's ability to contribute to and successfully complete all the requirements of a unit/s or the full qualification.

What do these qualifications cover?

These qualifications provide a practical introduction to the horticulture sector to support engagement, participation, achievement and progression for learners at Entry Level and Level 1. It offers important industry insight to help learners to make informed career decisions. Learners will complete these qualifications with a concrete understanding of the following:

Level 1 Award

- How to prepare ground for sowing or planting under supervision

Optional units include:

- Sow seed outdoors in drills by hand
- Planting and staking a tree
- Show visitors around a wildlife park, and many more

Level 1 Certificate

- Prepare ground for sowing or planting under supervision

Optional units include:

- Establishing crops or plants in growing medium
- Clearing horticultural and landscaping sites
- Preparing ground for seeding and planting, and many more

Will these qualifications lead to further learning?

Learners who complete the SEG Awards Level 1 Award and SEG Awards Level 1 Certificate can progress to the SEG Awards Level 2 Award and Certificate in Horticulture.
