

Purpose Statement

SEG Awards Entry Level 3 Certificate in Motor Vehicle Studies - 600/6104/2

Overview

These qualifications form part of Skills and Education Group Award's Foundation Learning offer in the Engineering and Manufacturing Technologies sector.

The Skills and Education Group Awards Entry 3 Award and Certificate in Motor Vehicle Studies provide practical experience and knowledge of the automotive sector to support engagement, participation, achievement and progression for learners at Entry Level. They will help learners to decide whether to undertake further training or employment within this occupational area.

The Skills and Education Group Awards Entry 3 Award and Certificate in Motor Vehicle Studies aim to enable learners to:

- > Gain work-related skills in the area of motor vehicle studies
- > Develop generic employability skills
- > Prepare for further training within this occupational area
- > Gain an insight into core activities within this occupational area in order to allow them to make informed career decisions

Who is this qualification for?

These qualifications are designed for young people aged 14+ and adults who have an interest in the automotive sector as an area of employment and want to develop practical skills in this area.

Skills and Education Group Awards expects approved centres to recruit with integrity on the basis of a learner's ability to contribute to and successfully complete all the requirements of a unit(s) or the full qualification.

What does the qualification cover?

Learners must achieve a minimum of 7 credits, including 1 from the mandatory unit (Health and safety for motor vehicle studies). The further 6 credits must come from the optional units below.

- > Motor vehicle workshop tools and equipment
- > Principles of engine components and operations
- > Check and maintain vehicle fluid levels
- > Check and maintain motor vehicle external lights
- > Checking and maintaining car tyre pressure and tread
- > Remove and replace motor vehicle road wheels

Purpose Statement

- > Motorcycle construction
- > Routine motorcycle checks
- > Routine braking system checks
- > Routine vehicle checks
- > Clean a vehicle exterior and interior
- > Remove and replace spark plugs
- > Introduction to vehicle exhaust systems
- > Introduction to customer care

Assessment

This qualification is internally assessed and requires internal and external moderation. Specific requirements and restrictions may apply to individual units within qualifications. Please check unit and qualification details for specific information.

Centres must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.

What could this qualification lead to?

These qualifications sit within Foundation Learning and are suitable for learners pre and post 16 who are engaged in a personalised learning programme.

Learners could progress from the Skills and Education Group Awards Entry Level 3 Award/Certificate in Motor Vehicle Studies to the Skills and Education Group Level 1 Award/Certificate/Diploma in Motor Vehicle Studies and then onto a Level 2 automotive qualification such as the Skills Education Group Awards Level 2 Award, Certificate or Diploma in Motor Vehicle Studies, or onto an Apprenticeship.

Centres should be aware that Reasonable Adjustments, which may be permitted for assessment, may in some instances limit a learner's progression into the sector. Centres must, therefore, inform learners of any limits their learning difficulty may impose on future progression.

Further Information

Further information on the qualification can be found on the Skills and Education Group Awards website.
