Overview

The SEG Awards Level 2 Award in Youth Work Principles (Wales) is designed in collaboration with National Youth Agency, Education and Training Standards committee England and Wales. This qualification is for delivery in Wales. An English version of the qualification is offered by Skills and Education Group Awards and more information on this qualification can be found on the website.

The SEG Awards Level 2 Award in Youth Work Principles (Wales) does not carry any qualification endorsement from ETS England or Wales. The Award prepares you with the knowledge you require to assist in work with young people in a range of youth work settings. Youth work helps young people learn about themselves, others and society, through informal educational activities which combine enjoyment, challenge and learning. Youth workers work typically with young people aged between 11 and 25. Their work seeks to promote young people's personal and social development and enable them to have a voice, influence and place in their communities and society as a whole.

The SEG Awards Level 2 Award in Youth Work Principles (Wales) is suitable if you need an introduction to the knowledge required which underpins the Youth Work Practice suite of qualifications or you wish to progress to the SEG Awards Level 2 Certificate in Youth Work Practice (Wales). The Award alone does not give you the skills and knowledge required to work as a Youth Work Assistant.
