The SEG Awards Level 2 Certificate in Youth Work Practice (Wales) endorsed by JNC prepares you to assist in work with young people in a range of youth work settings. Youth work helps young people learn about themselves, others and society, through informal educational activities which combine enjoyment, challenge and learning. Youth workers work typically with young people aged between 11 and 25. Their work seeks to promote young people's personal and social development and enable them to have a voice, influence and place in their communities and society as a whole.
