*The envelope, which contained this paper, will have been cut open in front of you.*

### Examination Details:

|                             |                                                           |
|-----------------------------|-----------------------------------------------------------|
| <b>Paper Title:</b>         | <b>September 2026 Series R2 (Road Haulage) Case Study</b> |
| <b>Paper No:</b>            | <b>RCS0926S</b>                                           |
| <b>Date of Examination:</b> | <b>4<sup>th</sup> September 2026 13:00 – 15:15</b>        |

**Instructions to the candidate - to be read before the examination. Time allowed: 2 hours 15 minutes**

#### You must have:

- The case study.
- This question/answer booklet.

#### You may use:

- A calculator.
- A dictionary.
- Any permitted written materials.

| <b>FOR EXAMINERS' USE ONLY</b> |  |
|--------------------------------|--|
| <b>Q1</b>                      |  |
| <b>Q2</b>                      |  |
| <b>Q3</b>                      |  |
| <b>Q4</b>                      |  |
| <b>Q5</b>                      |  |
| <b>Q6</b>                      |  |
| <b>Total =</b>                 |  |

#### Instructions:

- Complete your name below in capital letters and include your date of birth and signature.
- Use black ink.
- Use the case study to answer all the questions.
- Write your answer to each question in the space provided. If you need extra space, use the lined page(s) at the end of this booklet. The question numbers must be clearly shown.
- Additional paper may be used if required but you must clearly show your name, date of birth and question number(s).
- Answer all the questions.
- Do all calculations and rough work on the following pages. Cross out any work you do not wish to have marked.

#### Information:

- The total mark for this paper is 60.
- The marks for each question are shown in brackets ().
- This document has 10 pages.
- Assessment material has been prepared in line with legislation current at the time of production. Any subsequent changes to legislation have not been taken into account, however, responses that refer to amended legislation will be credited.

### To be signed by the candidate

|                          |  |                               |  |

| Candidate name:          |  | Centre name:                  |  |
| Candidate date of birth: |  | Candidate registration number |  |
| Candidate signature:     |  |                               |  |

1. Walvingham Deliveries Ltd (WDL) is to operate a collection from Darlington and delivery to Birmingham on Thursday of next week.

Use the information provided in the case study to complete the table below for the driver schedule for the journey. Your schedule must start when the driver begins work at WDL’s Ltd operating centre on Thursday and end when the driver finishes work at Walvingham.

Notes:

- You **MUST** show a start time, finish time, a clear activity description and the appropriate tachograph mode (no abbreviations allowed) for each activity.
- Tachograph symbols are **NOT** accepted.

| Start time | Finish time | Activity description | Tachograph mode |
|------------|-------------|----------------------|-----------------|
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |
|            |             |                      |                 |

[10 Marks]

2. Walvingham Deliveries Ltd (WDL) is to operate a collection from Darlington and delivery to Birmingham on Thursday of next week.

Use the information provided in the case study to calculate the total cost to WDL of operating the collection and delivery and the total amount to be charged to the customer for the journey.

**Notes:**

You MUST name each cost and give a total for each

You MUST show all your workings to the nearest 1p, always rounded up

[illegible]

**[14 Marks]**

3. Walvingham Deliveries Ltd (WDL) has been offered a three-year contract by Yukon Distribution plc, as described in the case study. The company’s plans will require it to take actions regarding operator licensing. With regard to operator licensing, describe **TEN** actions that WDL will have to take as soon as possible.

Notes:

- Marks will be awarded for correct actions and details related to those actions
- Only the first **TEN** actions or details will be marked

### ADDITIONAL ANSWER SPACE

If additional answer space is required, you should use the following lined page (s). The question number(s) must be clearly shown.

[illegible]

This image shows a full page of a handwriting practice worksheet. It consists of numerous horizontal rows, each defined by two parallel dotted lines. The rows are evenly spaced and extend across the entire width of the page, providing a guide for letter height and placement. There is no text or other markings on the page.

**This page is intentionally blank**
