| <b>FOR EXAMINERS' USE ONLY</b> |  |
|--------------------------------|--|
| <b>Q1</b>                      |  |
| <b>Q2</b>                      |  |
| <b>Q3</b>                      |  |
| <b>Q4</b>                      |  |
| <b>Q5</b>                      |  |
| <b>Q6</b>                      |  |
| <b>Total =</b>                 |  |

### Instructions

- Complete your name below in capital letters and include your date of birth and signature.
- Use black ink.
- Use the case study to answer all the questions.
- Write your answer to each question in the space provided. If you need extra space, use the lined page(s) at the end of this booklet. The question numbers must be clearly shown.
- Additional paper may be used if required but you must clearly show your name, date of birth and question number(s).
- Answer all the questions.
- Do all calculations and rough work on the following pages. Cross out any work you do not wish to have marked.

### Information

- The total mark for this paper is 60.
- The marks for each question are shown in brackets ().
- This document has 9 pages.
- Assessment material has been prepared in line with legislation current at the time of production. Any subsequent changes to legislation have not been taken into account, however, responses that refer to amended legislation will be credited.
- Covid-19: Candidates will not be questioned on any temporary rules introduced due to Covid-19. Answers that reflect such measures will not be credited.

### To be signed by the candidate:

|                          |  |                               |  |
|--------------------------|--|-------------------------------|--|
| Candidate name:          |  | Centre name:                  |  |
| Candidate date of birth: |  | Candidate registration number |  |
| Candidate signature:     |  |                               |  |

## December 2022 Series P2 (Passenger Transport) Case

### Question 1

You have decided to change the way in which drivers are allocated to the Staines - Exeter service and will now roster only 3 drivers, to cover the 6 services, with each driver operating the same services every day Monday to Friday.

Use the information in the case study to compile a one-day schedule for each of the drivers on the 6 services.

#### NOTES:

Your schedule must comply with all company policies.

You **MUST** give times, service numbers and a clear description of all activities.

#### Driver 1

| Start time | Finish time | Activity description |
|------------|-------------|----------------------|
|            |             |                      |
|            |             |                      |
|            |             |                      |
|            |             |                      |
|            |             |                      |

#### Driver 2

| Start time | Finish time | Activity description |
|------------|-------------|----------------------|
|            |             |                      |
|            |             |                      |
|            |             |                      |
|            |             |                      |
|            |             |                      |

#### Driver 3

| Start time | Finish time | Activity description |
|------------|-------------|----------------------|
|            |             |                      |
|            |             |                      |
|            |             |                      |
|            |             |                      |
|            |             |                      |
