

## **SEG Awards Level 3 Diploma in Dog Grooming - 610/3152/5**

### **Overview**

The SEG Awards Level 3 Diploma in Dog Grooming is designed to develop knowledge and skills in Dog Grooming. Learners will gain the knowledge and skills of styling and finishing of dogs, assessing and planning dog grooming work, in addition to animal health and welfare. The knowledge and skills gained will prepare learners to progress onto higher programmes of study, and related qualifications, in Dog Grooming.

### **Who is this qualification for?**

The SEG Awards Level 3 Diploma in Dog Grooming is designed for learners, over the age of 16, with no current experience in Dog Grooming, who wish to enter the industry and expand their skillset.

Skills and Education Group Awards expects approved centres to recruit with integrity on the basis of a learner's ability to contribute to and successfully complete all the requirements of a unit(s) or the full qualification.

### **What does the qualification cover?**

The SEG Awards Level 3 Diploma in Dog Grooming aims to facilitate learners' progression for a career in Dog Grooming. The qualification covers:

- > Styling and Finishing of Dogs - Gaining the knowledge and skills surrounding the styling and finishing of dogs.

This unit is a knowledge and skill-based unit, requiring some physical demonstrations.

- > Animal Health and Welfare - Gaining the knowledge and skills surrounding promoting and maintaining animal health and welfare, including recording and reporting on an animal's physical condition and potential welfare issues.

This unit is a knowledge and skill-based unit, requiring some physical demonstrations.

- > Assess and Plan Dog Grooming Work - Gaining the knowledge and skills to assess, plan and record all aspects of dog grooming.

This unit is a knowledge and skill-based unit, requiring some physical demonstrations.

- > Canine Health and First Aid - Gaining the knowledge and skills of Canine Health and first aid, including an understanding of how to assess and examine injured dogs, in addition to how to treat the injuries.

This unit is a knowledge and skill-based unit, requiring some physical demonstrations.

- > Dog Grooming Health Checks on a Dog - Gaining the knowledge and skills to complete health checks on a dog during dog grooming.

This unit is a knowledge and skill-based unit, requiring some physical demonstrations.

- > Engaging with Dog Grooming Clients - Gaining the knowledge and skills to effectively engage with dog grooming clients.

## **Assessment**

- > There is no external practical hour requirements attached to this qualification.
- > There are no MCQs attached to this qualification.
- > This is a portfolio-based submission.

## **What could this qualification lead to?**

By obtaining this qualification, learners will have the necessary skills and knowledge to allow them the opportunity to potentially progress into employment within the dog grooming industry.

This qualification goes hand in hand with a variety of Skills and Education Group Awards regulated qualifications within the Animal Care sector, supporting learners' knowledge and experience in animal care.

Centres should be aware that Reasonable Adjustments, which may be permitted for assessment, may in some instances limit a learner's progression into the sector. Centres must, therefore, inform learners of any limits their learning difficulty may impose on future progression.

## **Further Information**

Further information on the qualification can be found on the Skills and Education Group Awards website.
