## Introduction

The Skills and Education Group Awards Level 2 Awards and Certificate in English for Speakers of Other Languages (ESOL) International (CEF C1) have been developed to allow international learners to gain a recognised qualification in English language. This development has been led by educational organisations delivering the courses and subject experts with vast experience in the field.

These qualifications are mapped to the Common European Framework of Reference for Languages (CEFR), the Adult ESOL Core Curriculum and the National Standards for Adult Literacy.

This suite of Skills and Education Group Awards ESOL International qualifications provide valuable opportunities for individuals to develop skills and gain underpinning knowledge and understanding in the four main areas of Listening, Reading and Use of English, Writing and Speaking and is linked to the Common European Framework.

These qualifications enable learners to gain crucial language skills for work or social purposes. They allow learners to expand cultural knowledge, participate in English-speaking communities and improve communication skills when travelling abroad for business and/or pleasure.

# **Pre-requisites**

There are no formal entry requirements for the Level 2 qualification of this suite, however, learners without Level 1 may wish to refresh their grammar and vocabulary to allow them to access the content of this qualification.

To fully benefit from an ESOL International qualification at a more advanced level, learners may find it advisable to have some prior knowledge and understanding.

Skills and Education Group Awards would recommend that learners receive appropriate advice and guidance on the suitability of the qualification before embarking on any learning at higher levels.

## **Aims**

These qualifications are intended to develop the English skills used in everyday life and/or education. They focus on improving Listening, Reading and Use of English, Writing and Speaking skills to enable learners the opportunity of accessing Skills and Education Groups portfolio of ESOL International qualifications available from Entry 3 to Level 3.

# **Target Group**

These qualifications is designed for learners who are aged 16 years and above, however it may be used with learners below the age of 16. The content of the examinations is designed to reflect the interests and needs of adult learners.

Skills and Education Group Awards expects approved centres to recruit with integrity on the basis of a learner's ability to contribute to and successfully complete all the requirements of a unit(s) or the full qualification.

## **Content Overview**

The SEG Awards Level 2 Award/Certificate in ESOL International (CEF C1) is comprised of four units:

**Listening -** This unit provides learners with the knowledge and skills needed to enable them to obtain information from different spoken sources and in different situations, including public address announcements, lectures and television and radio programmes.

**Reading and Use of English** – This unit provides learners with the knowledge and skills needed to enable them to read and understand extended texts on different topics, some of which may be complex and abstract in nature, and to be able to use a dictionary as needed.

**Writing** – This unit provides learners with the knowledge and skills to be able to plan and write extended texts, including essays and narratives, using correct punctuation, spelling, grammar and the use of idiomatic and colloquial language.

**Speaking -** This unit provides learners with the knowledge and skills to enable them to take part in dialogues and conversations that take place exclusively in English, including narrating events, discussions and debates, and to use circumlocution and re-phrasing to cover any gaps in vocabulary.

## **ESOL International Qualifications**

ESOL International qualifications are designed for learners who are not native speakers of English and who wish to achieve a high quality, internationally recognised qualification in English that is available and recognised worldwide and at the highest level (RQF Level 3/CEF C2). They are suitable for candidates who are preparing for entry to higher education or professional employment in the UK or elsewhere.

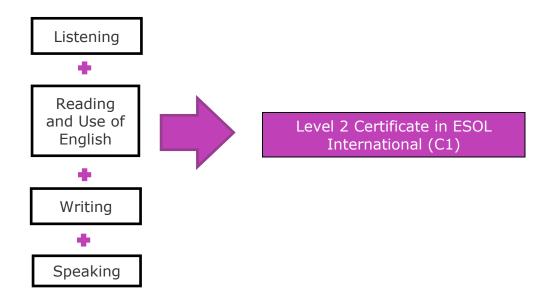

ESOL International qualifications are designed to reference the descriptions of language proficiency in the Common European Framework Reference for Languages (CEF). The levels in the CEF have been mapped to the levels in the Regulated Qualifications Frameworks for England, Wales and Northern Ireland (see <u>Pathways to Proficiency: the alignment of language proficiency scales for assessing competence in English Language DFES/QCA, 2003</u>).

# **Qualification Structure and Rules of Combination**

Learners must complete the required units from the diagram below in order to gain the full qualification.

#### **Rules of Combination:**

Learners must achieve an overall pass in each of the four assessments for Listening, Reading and Use of English, Writing and Speaking.

#### **Mandatory Units:**

Unit	Unit Number	Level	Credit Value	GL	TQT
Listening	D/650/9071	2	8	65	80
Reading and Use of English	F/650/9072	2	8	65	80
Writing	H/650/9073	2	8	65	80
Speaking	3/650/9074	2	8	65	80

## **Assessment**

This qualification is assessed by external examination which includes assessment of learner abilities in all four disciplines (Listening, Reading and Use of English and Speaking). Units within these qualifications must be assessed in line with the appropriate assessment strategy as stated in each unit. Please check unit and qualification details for specific information.

Centres must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.

#### Marking:

<b>Listening</b> questions are 1 mark	(25 marks)
<b>Reading and Use of English</b> questions are 1 mark	(25 marks)
Writing is based on 2 parts	(25 marks)
<b>Speaking</b> is based on 3 parts	(25 marks)

For each assessment (Listening, Reading and Use of English, Writing and Speaking), learners are graded as follows:

0-12 = Fail 13-16 = Pass 17-19 = Merit 20+ = Distinction

The cumulative total mark across all four assessments (Listening, Writing, Reading and Use of English and Speaking) is **100**.

## **Grading:**

The learners marks for all assessments are added together to give an overall grade based on the minimum marks per grade level below:

Assessment	Fail	Pass	Merit	Distinction
Listening, Reading and Use of English, Writing and Speaking	0-49	50-64	65-79	80+

## **Practice Assessment Material**

Skills and Education Group Awards confirm that there is practice assessment material for this qualification which is available on request.

# **Teaching Strategies and Learning Activities**

Centres should adopt a delivery approach which supports the development of all individuals. The aims and aspirations of all the learners, including those with identified special needs or learning difficulties/disabilities, should be considered and appropriate support mechanisms put in place.

# **Progression Opportunities**

One of the SEG Awards Level 2 Awards in ESOL International (CEF C1) enables learners to progress onto other Awards at the same level or the same Award at a higher level.

The SEG Awards Level 2 Certificate in ESOL International (CEF C1) enables learners to progress to the SEG Awards Level 3 Certificate in ESOL International (CEF C2) qualification.

# **Tutor/Assessor Requirements**

Tutors/Assessors delivering ESOL International qualifications should be suitably experienced and/or qualified. In general terms, this usually means that the assessor is knowledgeable of the subject/occupational area to a level above that which they are assessing.

Those responsible for Internal Quality Assurance (IQA) must be knowledgeable of the subject/occupational area to a suitable level to carry out accurate quality assurance practices and processes.

# Language

These specifications and associated assessment materials are in English only.

# 'Can Do' descriptors

(Please refer to Appendix D Council of Europe Common European Framework of Reference for Languages: learning, teaching, assessment for more information)

The aim of the 'Can Do' project developed by *Association of Language Testers in Europe (ALTE)* is to develop and validate a set of performance-related scales, describing what learners can actually do in a foreign language.

The 'Can Do' scales summary below is organised into overall ability and three general areas: Social and Tourist, Work, and Study, which are the main areas of interest of most language learners.

C1	Listening/Speaking	Reading	Writing
Summary of overall ability	CAN contribute effectively to meetings and seminars within own area of work or keep up a casual conversation with a good degree of fluency, coping with abstract expressions.	CAN read quickly enough to cope with an academic course, to read the media for information or to understand nonstandard correspondence.	CAN prepare/draft professional correspondence, take reasonably accurate notes in meetings or write an essay which shows an ability to communicate.
Social and Tourist Skill Area	CAN keep up conversations of a casual nature for an extended period of time and discuss abstract/cultural topics with a good degree of fluency and range of expression.	CAN understand complex opinions/arguments as expressed in serious newspapers.	CAN write letters on most subjects. Such difficulties as the reader may experience are likely to be at the level of vocabulary.
Work Skill Area	CAN contribute effectively to meetings and seminars within own area of work and argue for or against a case.	CAN understand correspondence expressed in non-standard language.	CAN handle a wide range of routine and nonroutine situations in which professional services are requested from colleagues or external contacts.
Study Skill Area	CAN follow abstract argumentation, for example the balancing of alternatives and the drawing of a conclusion.	CAN read quickly enough to cope with the demands of an academic course.	CAN write an essay which shows ability to communicate, giving few difficulties for the reader.

# Recognition of Prior Learning (RPL), Exemptions, Credit Transfers and Equivalencies

Skills and Education Group Awards policy enables learners to avoid duplication of learning and assessment in a number of ways:

- Recognition of Prior Learning (RPL) a method of assessment that
  considers whether a learner can demonstrate that they can meet the
  assessment requirements for a unit through knowledge, understanding or
  skills they already possess and do not need to develop through a course
  of learning.
- Exemption Exemption applies to any certificated achievement which is deemed to be of equivalent value to a unit within Skills and Education Group Awards qualification but which does not necessarily share the exact learning outcomes and assessment criteria. It is the assessor's responsibility, in conjunction with the Internal Moderator, to map this previous achievement against the assessment requirements of the Skills and Education Group Awards qualification to be achieved in order to determine its equivalence.
- Any queries about the relevance of any certificated evidence, should be referred in the first instance to your centre's internal moderator and then to Skills and Education Group Awards. It is important to note that there may be restrictions upon a learner's ability to claim exemption or credit transfer which will be dependent upon the currency of the unit/qualification and a learner's existing levels of skill or knowledge. Where past certification only provides evidence that could be considered for exemption of part of a unit, learners must be able to offer additional evidence of previous or recent learning to supplement their evidence of achievement.
- Credit Transfer Skills and Education Group Awards may attach credit to a qualification, a unit or a component. Credit transfer is the process of using certificated credits achieved in one qualification and transferring that achievement as a valid contribution to the award of another qualification. Units/Components transferred must share the same learning outcomes and assessment criteria along with the same unit number. Assessors must ensure that they review and verify the evidence through sight of:
  - o Original certificates OR
  - Copies of certificates that have been signed and dated by the internal moderator confirming the photocopy is a real copy and make these available for scrutiny by the External Moderator.
- Equivalencies opportunities to count credits from the unit(s) from other qualifications or from unit(s) submitted by other recognised organisations towards the place of mandatory or optional unit(s) specified in the rule of combination. The unit must have the same credit value or greater than the unit(s) in question and be at the same level or higher.

Skills and Education Group Awards encourages its centres to recognise the previous achievements of learners through Recognition of Prior Learning (RPL), Exemption, Credit Transfer and Equivalencies. Prior achievements may have resulted from past or present employment, previous study or voluntary activities. Centres should provide advice and guidance to the learner on what is appropriate evidence and present that evidence to the external moderator in the usual way.

Further guidance can be found in 'Delivering and Assessing Qualifications' which can be downloaded from the Skills and Education Group Awards website.

#### Certification

Learners will be certificated for all units and qualifications that are achieved and claimed.

Skills and Education Group Awards policies and procedures are available on the website.

#### **Exemptions**

This qualification contains no exemptions. For further details see Recognition of Prior Learning (RPL), Exemptions, Credit Transfers and Equivalencies.

# **Glossary of Terms**

## **GL** (Guided Learning)

GL is where the learner participates in education or training under the immediate guidance or supervision of a tutor (or other appropriate provider of education or training). It may be helpful to think – 'Would I need to plan for a member of staff to be present to give guidance or supervision?

GL is calculated at qualification level and not unit / component level.

Examples of Guided Learning include:

- Face-to-face meeting with a tutor
- Telephone conversation with a tutor
- Instant messaging with a tutor
- Taking part in a live webinar
- Classroom-based instruction
- Supervised work
- Taking part in a supervised or invigilated formative assessment
- The learner is being observed as part of a formative assessment

## **TQT (Total Qualification Time)**

'The number of notional hours which represents an estimate of the total amount of time that could reasonably be expected to be required, in order for a learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of a qualification.' The size of a qualification is determined by the TQT.

TQT is made up of the Guided Learning (GL) plus all other time taken in preparation, study or any other form of participation in education or training but not under the direct supervision of a lecturer, supervisor or tutor.

TQT is calculated at qualification level and not unit / component level.

Examples of unsupervised activities that could contribute to TQT include:

- Researching a topic and writing a report
- Watching an instructional online video at home/e-learning
- Watching a recorded webinar
- Compiling a portfolio in preparation for assessment
- Completing an unsupervised practical activity or work
- Rehearsing a presentation away from the classroom
- Practising skills unsupervised
- Requesting guidance via email will not guarantee an immediate response
