

Purpose Statement

SEG Awards Level 5 Diploma in Leading and Managing an Adult Care Service – 610/6758/1

Overview

The content of the SEG Awards Level 5 Diploma in Leading and Managing an Adult Care Service has been specified by Skills for Care, in consultation with employers, learning providers and those who use services.

The qualification has core shared knowledge and skills that support the vision of employers providing integrated services and the portability of skills and knowledge across the health and adult care workforce.

The qualification is a unitised qualification on a scale of pass or fail. Learners are expected to demonstrate a comprehensive understanding of the subject matter, ensuring a level of proficiency. This qualification will enable learners to acquire knowledge and practical skills in health and social care required for employment in the sector.

The primary purpose of the qualification aims to support the development of registered managers of adult social care services. Specifically, those new to their role. The SEG Awards Level 5 Diploma in Leading and Managing an Adult Care Service can be studied as a standalone qualification, but it also meets the mandatory component requirements of the Leader in Adult Care End-point Assessment.

Who is this qualification for?

This qualification is designed for learners who work in adult social care and have responsibility for leading and managing a service. This will include managing and improving care and support for those accessing the service; supporting and developing the workforce; and driving the vision for their service or organisation.

The entry requirements for this qualification are that learners **must** be at least **18 years** of age. It is aimed at all those who are already working in Adult Care in England.

It is recommended that learners already hold a L3 qualification or above in the area.

Skills and Education Group Awards expects approved centres to recruit with integrity on the basis of a learner's ability to contribute to and successfully complete all the requirements of a unit(s) or the full qualification.

This qualification is appropriate for use in the following age ranges:

- > 18+
- > 19+

Assessment

This qualification is assessed through internal assessment, internal and external moderation. Each unit is accompanied by specific assessment criteria that define the requirements for achievement. Specific requirements and restrictions may apply to individual units within qualifications. Please check unit and qualification details for specific information.

This qualification **must** be assessed in line with Skills for Care and Development Assessment Principles November 2025, V1.1 (see below).

Access the full Shared Assessment Principles [here](#)

Centres **must** take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.

What could this qualification lead to?

Achievement of this qualification will equip learners to hold the role of Registered Manager and also supports progression to higher education as well as the Level 5 Leader in Adult Care apprenticeship.

Centres should be aware that Reasonable Adjustments, which may be permitted for assessment, may in some instances limit a learner's progression into the sector. Centres **must**, therefore, inform learners of any limits their learning difficulty may impose on future progression.

Who supports this qualification?

This qualification is recognised by [Skills for Care](#).

Further Information

Further information on the qualification can be found on the [Skills and Education Group Awards website](#).
